Sir,

With reference to para 4 of Government Proceedings No.9594-5/Med 53-08-8 dated 2nd April 1909, I have the honor to forward the accompanying copy of letter No.1838 dated 14-6-10, from the Medical Officer in charge Victoria Hospital, Bangalore, submitting a detailed report, on the working of the special pay ward of the Victoria Hospital, Bangalore, as therein directed.

I have the honor to be,

Sir,

Your most obedient servant,

Lt.-Col. I.M.S.,
Senior Surgeon, Mysore Government.

Letter No.1838 dated 14-6-10, from the Medical Officer Victoria Hospital Bangalore, to the Senior Surgeon, Mysore Government, Bangalore.

With reference to Government Proceedings No.9594 -5/Med 53-08-8 dated 2-4-1909, I have the honor to report that out of 2 blocks of Special Pay Wards with 2 rooms in each constructed in this Hospital, only one room in each of the blocks was furnished and declared opened on the 1st July 1909 and in accordance with Government Proceedings No.3632/Med 7-09-6 dated 14-10-1909, the two small rooms on either side of the Laboratory of this Hospital were also opened as Special Pay Wards for ladies and children on the 23rd October 1909.

2. The number and classes of patients treated in these wards and the Hospital charges paid by them and credited to Government during the eleven months from July 1909 to 14th June 1910 are detailed below:-

Europeans	No: treated	Amount of Hospital charges paid.			Natives	No: treated	Amount of Hospital charges paid.			Total number treated.	Total charges recovered.	
Gentlemen	14	689	8	-	Gentlemen	14	498	12	-	28	1188	4
Ladies	3	190	.	.	Ladies	4	217	12	-	7	407	12
Children	5	122	.	.	Children	4	22	2	-	9	144	2
Total	22	1001	8	-	Total	22	738	10	-	44	1740	2

3. The amount spent on the establishment consisting of 4 ward attendants and 2 Toties sanctioned for the Special Pay Wards for the eleven months from July 1909 to May 1910 is Rs.434-13-1.

4. The minimum Hospital charge fixed for natives is in my opinion very low and requires revision. This very low minimum is an advantage to poor Officials but is likely to shut out

shutout native Officers of higher ranks by an Official paying the minimum charge and occupyin a special ward to the exclusion of an Officer of a higher rank, who may be in need of -- Hospital accommodation.

5. Two patients of the Native Officers Wards, who were expected to leave early in June 1910 did not leave the Hos -pital till the 14th instant and to make up the total income -- from patients in the Officers wards, the submission of this report, which was due on the 1st of June 1910, had to be delayed.
